

Alchemical Hypnotherapy

Susan Barker of *OnTrack Options* is hosting alchemical hypnotherapist David Quigley in Ottawa for a 3-day training workshop.

WHEN: Friday, Saturday, Sunday November 28, 29, 30 2008

WHERE: Downtown Ottawa, Ontario

Hypnotherapy has been revolutionizing the field of short term intervention therapy for the last 20 years, providing new methodologies for weight loss, depression, anxiety, and addictive behaviors. **Alchemical Hypnotherapy** is one of the most powerful new developments in this expanding field. By helping our clients to utilize *their own internal resources* for healing we give them access to ongoing therapy 24 hours a day as an adjunct to office therapy. This 3-day workshop will teach you many of the most important Alchemical techniques. These can increase the effectiveness of your work with clients exponentially. This workshop is taught by David Quigley, the creator of Alchemical Hypnotherapy.

Day one: Emotional Clearing

Day two: Inner Guides

Day three: Sub-Personality Therapy

Details of this workshop to be found at <http://www.alchemyinstitute.com/>

This workshop is geared to experienced professionals who wish to achieve greater results with their clients.

Enrollment is limited.

Fee \$495.
